Re: DuPage Groundwater Site

Dear Tom:

This relates to the Freedom of Information Act request by Ann Muniz to Steve Faryan on approximately July 22, 2002. Ms. Muniz requested, among other things, the CERCLA Section 104(e) responses by companies in the Ellsworth Industrial Park relating to the DuPage Groundwater Site. I represent Ms. Muniz.

I would like to review these documents as soon as possible. Ms. Muniz informed me that they are available. I have spoken to Fred Gage, who indicated that he knows nothing of the request, and will not make them available.

Ms. Muniz is a citizen living in the impacted area, whose drinking water exceeds maximum contaminant levels. She is interested in examining these documents immediately.

I would appreciate if you could arrange for me to examine the documents on or before Wednesday, August 7, 2002.

Sincerely,

James D. Brusslan

cc: Ann Muniz
